Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on July 13, 2006 as a national phase application of PCT/US2005/000099. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application (1) names two inventors, one of which is Kirk Matthew Schnorr and (2) claims priority or the benefit of Danish Application No. PA 2004 00300 filed on February 25, 2004 and U.S. provisional application no. 60/550,095 filed on March 4, 2004.

The filing receipt mailed June 12, 2008 omits the U.S. provisional application in the domestic priority data section and omits the inventor's surname Schnorr.

Applicants therefore request the issuance of a corrected filing receipt with complete domestic priority data and the full name of each inventor.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: July 8, 2008
